

CPR & AED AWARENESS WEEK

June 1 - 7, 2017

THREE SIMPLE STEPS CAN SAVE A LIFE

1. **RECOGNIZE THE NEED FOR HELP**

2. **CALL 911**

3. **PUSH HARD AND FAST IN
THE CENTER OF THE CHEST**

The **BE 911 CPR PROGRAM** is a free, 30-minute class on compressions-only CPR. The classes are taught throughout the year by certified **FDNY EMS** personnel at various locations.

The program has successfully trained thousands of New Yorkers in this lifesaving technique. The course offers the following:

- » Basic instruction on performing compressions-only CPR.
- » Basic instruction on how to use an automated external defibrillator (AED).
- » Practice manikin for use during class and take-home instruction for follow-up practice.
